

ChatStat introduces Two-Tiered Affiliate Partner Program Responds to overwhelming interest to promote the product

San Diego, CA – April 30, 2007 - ChatStat Technologies, Inc. www.chatstat.com today unveiled its new Partner Program to provide third parties the ability to promote its innovative Live Customer Interaction product around the world.

The company has been experiencing significant and exciting growth in its first year of operations. The product has received excellent praise from customers and regular inquiries have come from organizations around the globe that are interested in representing the product, and selling it to their prospects and customers.

“We are very pleased with the interest we have received from around the world. This is a testimony to the unique and innovative nature of our product.”, said Emmanuel de Boucaud, Chatstat Technologies Chief Executive Officer. He continued, “We have made great strides to implement the necessary technical infrastructure of our hosted service and the refined the product, to get to a point where we could support the explosive growth Affiliate partners will bring to us. We needed these pieces to be in place in order to confidently launch our strategy for indirect business through this Affiliate Partner Program.”

The ChatStat Affiliate Partner Program offers two tiers of partnership- Select and Premier Partners. Select Partners benefit from generous margins, without any minimum commitments on behalf of the partner, and they are empowered to promote the ChatStat product to their customer and prospects within 24 hours after applying for partnership.

The Premier Partner tier is reserved for organizations with an interest in coupling a value added Live Customer Interaction Solution with an existing product of offering, under a Private brand. The ChatStat product becomes a private label product under the Premier Partner’s branding. This ensures the partner maintains brand identify and control of the customer.

The company expects to bring on 10-15 Affiliate partners in the first month of the program’s existence and over time plans to support hundreds of Affiliate partners in many geographies domestically and abroad.
